What do I do when I get divorced?

You must send a copy of your complete divorce decree otherwise coverage will be maintained for your ex-spouse. If the Fund pays for benefits that should not be paid because your spouse no longer meets the definition of a dependent, you will be held responsible. Divorce Decree should be remitted within 30 days.

When does coverage stop for my dependent children?

Dependent children are covered through the end of the month in which they turn 26.

The Health Care and Education Affordability Reconciliation Act of 2010 requires the Fund to extend Adult coverage up to age 26 effective June 1, 2011. Therefore, if you are Eligible for benefits and you have a child that was previously covered in the Plan, and their coverage was terminated; you should complete a "Request for Extension of Dependent Coverage" and return it to the Fund Office. Coverage may continue until the last day of the month in which that adult child turns 26 years old or earlier if you do not maintain your eligibility under the Plan. This requires annual verification.

Can I continue coverage when I retire?

Yes, provided you meet the retiree requirements for maintaining coverage.

What do I do if I am injured and cannot work?

The Fund provides disability credit which may continue your coverage for health care benefits. A Disability Form completed by you and your physician is required.
